

## Certificate IV in Business Sales On - Line

### BSB40607 Certificate IV in Business Sales

#### Course Overview

The Certificate IV in Business Sales provides the participant with an opportunity to develop business sales competencies and apply them practically in the workplace.

This development program is offered through our on-line e-learning platform. This means the participant can undertake learning activities at a time convenient to workplace demands without having to leave the work site to attend workshops.

All that is required is access to a computer and the internet. IPS also has experience in consulting to determine blended delivery methods where applicable.

An initial induction into the program is provided at the time of enrolment when we assess and recognise existing skills the participant may possess. This enables them to receive advanced-standing in the program and allows us to focus on the skills they need to develop.

A coach is allocated to the participant and is available on-line or by phone Monday to Friday during working hours. Assessments are completed and submitted on-line to our qualified assessors who provide feedback in a timely manner.
